SMART Certified Trainer² on the SMART Board Software Version 10 for Windows Operating Systems, *SMART Technologies Inc, Calgary, Canada, 11/2008*

Promethean ActivBoard Content Developer, *Promethean Inc, Alpharetta, GA, United States, 11/2008*

¹ First Mimio Authorized Trainer outside of the continental US

² First SMART Certified Trainer in the English-speaking Caribbean.

WORK HISTORY (1 OF 3):

CONSULTING & CAPACITY BUILDING

Digital Transformation Specialist, Sisters' Ink Jamaica Limited, 5 Rosemarie Drive, Kingston 8, Jamaica, **01/2020 to Current**, Opal Levy (Miss) [Exp #1](#)

- Currently providing a range of capacity building services financed by the Development Bank of Jamaica's Voucher for Technical Assistance Programme.
- Develop new business models and related processes as part of the ongoing response to COVID-19 and the public health emergency.
- Advise clients on mechanisms that may be implemented in order to transform face-to-face processes to virtual and online ones.

Education Consultant, Ministry of Education, Jamaica, National Heroes Circle, Kingston 4, Jamaica, **03/2015 to 08/2015**, Maureen Dwyer (Mrs) [Exp #2](#)

- Successfully tendered a bid to provide services under the World Bank funded Education System Transformation Programme.
- Gathered requirements [website, portal and content management system for the National Education Inspectorate, Jamaica](#); developed, tested, and launched portal; provided 90-day steady state support.

Professional Lead – ICT, Cambridge Education, One University Avenue, Suite 100, Westwood, MA 02090, United States, **10/2014 to 07/2015**, Majid Haquani [Exp #3](#)

- Collaborated with UK-based team to develop a web-based enterprise software system for the National Education Inspectorate, Jamaica's education quality agency, in record time (9 months), using HTML, modern technologies, and software development best practices.
- Developed training plan and training materials; delivered training; analysed end-of-training survey and presented reports in writing.
- Provided on-site capacity building support to chief inspector and her team during the post-implementation steady-state support period.

Education Expert, European Consulting for Developing Countries, Ceramplain 54, 1095BX, Amsterdam, the Netherlands, **11/2014 to 03/2015**, Sander Steur (Mr.) [Exp #4](#)

- Conducted an evaluation of the European Commission's external assistance programme "*Education Enhancement Through the use of Information and Communications Technology Programme in Saint Lucia*" ("the project").
- Gathered data (using triangulation), analysed data and made an independent assessment of the project with regard to their effectiveness, efficiency, and impact.
- Developed a viable professional development model and training plan for the education system and presented in written and oral formats.
- Delivered face-to-face workshops as proof of concept at rural multi-grade school; instructors were enabled to use modern education technology tools.

Technical Assistant (Integration of ICT into the Curriculum Expert), Education Development Trust (formerly CfBT), **09/2011 to 11/2011**, Alison Butcher [Exp #5](#)

- Designed and delivered face-to-face in-service professional development training workshops—“*Productivity Tools and Online Resources for Teaching/Learning*” — to curriculum officers, classroom teachers, and technology coordinators.
- Produced storyboard, selected a cast and directed filming of video footage for the production of a series of promotional and training videos.
- Developed an ICT Integration Handbook for use by classroom teachers; established a Community of Practice and hosted same on the Edmodo platform.

Educational Consultant, Macmillan Education Digital Publishing Unit, 4 Crinan St London, N1 9XW UK, **01/2008 to 03/2008**, Jon White (Mr.) [Exp #6](#)

- Conducted training needs assessments and analyses related to skills needed to transition from paper-based publishing to digital publishing.
- Designed, developed and delivered face-to-face technology integration training workshops at client’s Oxford UK location for editorial, production and marketing staff; delivered face-to-face capacity building sessions to field sales team (from 14 European countries); upskilled them to sell digital products using traditional face-to-face sales calls.
- Delivered hands-on training in the use of SMARTBOARD interactive whiteboards.

Advisory Board Member, HEART Trust//NSTA, Kingston, **10/2006 to 11/2006** [Exp #7](#)

- Advised on industry, employment, and technology trends as a member of the *Post Graduate Diploma in Education and Training programme* team.
- Assisted with preparing the [Post Graduate Diploma in Education and Training](#) for accreditation by Jamaica’s tertiary education accreditation body.

Educational Consultant, Macmillan Caribbean, 4 Crinan St London, N1 9XW UK, **01/2008 to 03/2008**, Dan Wilson (Mr.) [Exp #8](#)

- Prepared winning (technology integration in education) bids for Government of Jamaica’s e-Learning programme.
- Developed and delivered training to 60+ teachers of Physics and Building Technology.

Educational Consultant, The Book Merchant Limited, 4 Crinan St London, N1 9XW UK, **01/2008 to 03/2008**, Dan Wilson (Mr.) [Exp #9](#)

- Prepared winning (technology integration in education) bids for Government of Jamaica’s e-learning programme for range of education solutions.
- Developed and delivered training to 60+ teachers of Physics and Building Technology

Education Consultant, Kingston Restoration Company, King Street, Kingston, **09/1999 to 06/2000**, Morin Seymour [Exp #10](#)

- Designed and implemented a World Bank funded project that benefitted families in two inner-city communities—Breezy Castle and Jones Town.
- Capacity building project incorporating the use of computer technology and specialised software to support the learning and skills development of primary level students.

WORK HISTORY (2 OF 3):

CURRICULUM DEVELOPMENT & INSTRUCTIONAL DESIGN

Instructional Designer, Nutcracker Books, 36-38 Red Hills Road, Kingston 10, Jamaica, **09/2017 to 11/2019**, Trudi-Anne Howe (Miss) [Exp #11](#)

- Developed an interactive e-book using Adobe InDesign; hosted on the BookFusion platform, and available for self-study by candidates sitting high-stakes public examinations offered by the Caribbean Examinations Council.
- Developed technology-enhanced items for assessing a range of K-12 subjects and migrated testing platform from Google Classroom to [Assess.ai](#), a scalable cloud-based e-assessment platform.

Senior Manager: Syllabus and Curriculum Development Division, Caribbean Examinations Council, Duty Station: Western Zone Office—Kingston, Jamaica, **05/2016 to 04/2017**, Dr. Carol Granston [Exp #12](#)

- Developed [a framework and high-level design](#) for the [CXC Learning Hub](#) (online learning management system).
- Developed strategy, framework, and action plan for CXC Regional Institute as the virtual pre- and in-service capacity building arm of CXC.
- Managed the revision of 12 existing syllabuses: [CAPE](#), [CSEC](#), and [CCSLC](#); developed and launched new syllabuses; designed and staged of a series of 40+ implementation support workshops in five countries over a six-week period.
- Managed quality assurance of syllabus and curriculum development, launched new course—[green engineering](#)—and presented oral and written submission for new courses such as design thinking, [digital literacy](#), and Mandarin.

Education Consultant, Commonwealth of Learning, British Columbia, Canada, **01/2012 to 02/2012**, Doris McEachern [Exp #13](#)

- Supported the Ministry of Education in St Vincent and the Grenadines in the implementation of their [ICT Professional Development Strategy for Educators](#).
- Designed mentorship programme to develop the capacity of Education Officers to support education technology initiatives within the public-school system.
- Developed [an assessment and evaluation package](#)—*The Basic ICT Readiness Assessment*—and the framework for an ICT integration course for principals.

Textbook Author, Macmillan Caribbean (a division of Macmillan Publishers), 4 Crinan St London, N1 9XW UK, **01/2008 to 02/2019**, Nick Gillard, Kate Gambles [Exp #14](#)

- Conceptualized, developed manuscripts (text, art programme brief, assessment components, and digital ancillaries), and proofread prepress materials for four textbooks; developed digital assets: storyboards, screencasts (using Camtasia Studio), and audio scripts for multimedia delivery via Macmillan's e-learning website ([Macmillan Education Everywhere](#)).
- Design and deliver instructor development workshops to assist instructors (teachers) in applying new instructional technologies such as online assessments.

Curriculum Specialist: Education System Transformation Project, Ministry of Education, Jamaica, National Heroes Circle, Kingston 4, **05/2007 to 08/2007** [Exp #15](#)

- Provided professional and technical services to the *Curriculum, Teaching and Learning Workstream*, a component of the education transformation programme.
- Developed and implemented curricula for grades 9 to 11 information technology.

Curriculum Specialist, Ministry of Education, Jamaica, National Heroes Circle, Kingston 4, **09/2004 to 12/2007** [Exp #16](#)

- Designed, developed and implemented in-service capacity building training programmes for ICT teachers in the six Ministry of Education regions island wide.
- Developed capacity of 240 secondary level teachers, via 18 face-to-face professional development sessions, which enabled them to more effectively implement challenging aspects of the CSEC information technology syllabus.
- Developed standardized assessment instruments, for island wide use, which facilitated a smooth transition from CXC-developed assessments to teacher developed school-based assessments (SBAs).
- Developed procedures manual for the conduct of SBAs in CSEC Information Technology.
- Developed the capacity of in-service teachers to develop better tests; focused on test validity and reliability.

Course Designer, Howard Campbell Tutoring, 27 Keats Avenue, Kingston 20, **09/1993 to 06/2018** [Exp #17](#)

- Conceptualized and developed a range of in-service capacity-building courses for secondary level educations in a range of subjects such as (Computer Science, English Language, English Literature, Electronic Document Preparation and Management, and Information Technology).
- Conceptualized and developed a range of in-service capacity-building courses focused on assessment principles, assessment best practices, test development, and electronic assessment.
- Facilitated 100+ events including half-day seminars, day-long workshops, 15-hour, and 30-hour courses.
- Conceptualized and delivered exam prep sessions to students at secondary level institutions island wide including Edwin Allen, Grange Hill, Herbert Morrison, Kingston Technical, Mile Gully, Mount Alvernia, and St. Jago High Schools.

Course Designer, University of Technology, Jamaica, 237 Old Hope Road, Kingston 6, Jamaica, **09/1993 to 06/1994**, Dr. Wessel Thomas [Exp #18](#)

- Delivered lectures and tutorials in Computer-based Problem Solving, Information Technology, Programming Concepts, Computer Operations and Advanced Information Technology.
- Developed and piloted 3-credit course titled “*Advanced Information Technology*”.

WORK HISTORY (3 OF 3):

TEACHING, TRAINING & ASSESSMENT

Expert in Hands-on User Training, AAM Consulting, 1133 Budapest, Hungary Váci út 76, **07/2017 to 08/2017**, Szóts Márton (Mr.) [Exp #19](#)

- Delivered hands-on training to enable use of the LMIS.Stat software solution for labour market data management in Belize, Jamaica, and St. Kitts.
- Performed qualitative and quantitative analysis of course data; presented analytical results in written format.

In-Service Teacher Trainer, Government of Anguilla, **09/2012** [Exp #20](#)

- Designed weeklong small-group in-service capacity building programme.
- Delivered content and methods workshops to secondary school teachers of information technology and computer science (grades 9-13).

Technology Integration Trainer, Macmillan Caribbean, Macmillan Campus, 4 Crinan St London, N1 9XW UK, **09/2010 to 10/2015**, Nicola Langford (Ms.) [Exp #21](#)

- Facilitated a series of one-day technology integration workshops for secondary educators on behalf of Macmillan.
- Delivered a series of one-day in-service capacity-building workshops in Antigua, Commonwealth of Dominica, Barbados, St. Lucia, St. Vincent, and Trinidad.

Subject Matter Expert, Caribbean Examinations Council, Pine Hill Plantation Road, Bridgetown, Barbados, **09/2008**, Alsian Brown-Perry (Mrs.) [Exp #22](#)

- Designed on-demand training course for face-to-face delivery.
- Delivered one-week capacity building training sessions to information technology teachers in Anguilla and the Commonwealth of Dominica.

Head of Department: Information Technology, St. Andrew High School for Girls, Jamaica, **09/1999 to 08/2003**, Sharon Reid (Mrs.) [Exp #23](#)

- Coordinated the development of the school's five-year technology plan; led the process that incorporated modern technologies in teaching and learning.
- Taught computer science and information technology science to secondary school students; curriculum included use of online resources and productivity tools.
- Designed and coordinated delivery of in-house professional development courses—for teachers of Visual Arts—aimed at developing their capacity to use Quark Express (a leading desktop publishing software for creative professionals).

Lecturer (Part-time), University of Technology, Jamaica, 237 Old Hope Road, Kingston 6, Jamaica, **09/1993 to 12/2004**, Dr. Wessel Thomas [Exp #24](#)

- Delivered lectures and tutorials in four schools across three faculties.
- Courses taught included Advanced Information Technology, Computer-based Problem Solving, Computers in Engineering, Computer Operations, Information Technology, and Programming Concepts.

Lead Trainer, Technology Innovation Centre—University of Technology, Jamaica, 237 Old Hope Road, Kingston 6, **09/1992 to 12/2002**, Robert Philips (Mr.) [Exp #25](#)

- Delivered 500+ hours ICT training to professionals (nurses and teachers), business owners, and 75 staff members of the University of Technology.
- Developed course materials for “Introduction to Computers” course series.

Examining Committee Member, Caribbean Examinations Council, Pine Hill Plantation Road, Bridgetown, Barbados, **06/2000 to 07/2014** [Exp #26](#)

- Performed activities required of the team leader at the level of chief examiner for CSEC Electronic Document Preparation and Management (2014).
- Performed activities required of the team assistant at the level of assistant chief examiner for CAPE Information Technology (exam sittings 2004 to 2011).
- Managed the script marking process to ensure reliable marking; advised chief examiner on issues relating to improving the marking flow, consistency of marking, and general quality control; analysed quantitative assessment data and proposed 'cut scores' informed grading decisions and award of certification.

Assessment Specialist/Test Item Writer, Caribbean Examinations Council, Pine Hill Plantation Road, Barbados, **09/2010 to 09/2012**, Benita Byer (Mrs.) [Exp #28](#)

- Developed valid test items (structured response and selected response type items), for various syllabuses, in conformance with the test blueprint provided.
- Reviewed specimen papers (six papers spread across two modules) and submitted written recommendations to technical committees.

Materials Developer, Caribbean Examinations Council, Pine Hill Plantation Road, Bridgetown, Barbados, **09/2010 to 10/2010**, Alsian Brown-Perry (Mrs.) [Exp #27](#)

- Materials development project funded by the Commonwealth of Learning.
- Developed distance learning workbook for CSEC Information Technology.

Course Facilitator, Vocational Training Development Institute (a division of HEART Trust//NSTA), Gordon Town Road, Kingston 6, Jamaica, **10/2006 to 11/2006**, Delize Williams (Mrs.) [Exp #29](#)

- Developed and delivered a customized Information Technology course as a component of a CIDA-funded project for at-risk youth.
- Assessed learners using quizzes, tests, and final examination.

PROFESSIONAL MEMBERSHIPS

- [Fellow](#), Chartered Institute of Educational Assessors, Hatfield, UK
- **Member**, Association for Supervision and Curriculum Development, US
- **Member**, Association of Test Publishers, Washington, DC, US
- **Member**, The e-Assessment Association, Manchester, UK
